## DIOCESAN NEWS

### JUBILEE YEAR 2025 – PILGRIMS OF HOPE

The Jubilee Year starts on December 24, 2024 with the opening of the Holy Door in Rome. The theme is Pilgrims of Hope. In our Diocese, we will celebrate a special Vigil mass to proclaim the Jubilee Year at the Cathedral on Saturday, December 28, 2024 (The Feast of the Holy Family). This significant celebration in the Catholic Church will continue throughout 2025 until the Holy Door closes on December 28, 2025. The Jubilee Year officially concludes in Rome on January 6, 2026. What is the Jubilee Year? A jubilee year is a time in which God's holiness transforms us. The Bible indicates that the holy year was intended to be marked as a time to re-establish a proper relationship with God, with one another, and with all of creation. In 1470, Pope Paul II declared that Holy Years would be celebrated every 25 years. Holy Year, or Jubilee Year, includes special celebrations and pilgrimages, strong calls for conversion and repentance, and special opportunities to experience God's grace through the sacraments, especially confession. For more info about how to celebrate the Jubilee Year, please visit [www.scd.org/Jubilee2025](http://www.scd.org/Jubilee2025)

## Unveiling the Shadows: How Cyber Criminals Steal Your Passwords

### A Digital Nightmare: Lisa's Unwanted Exposure

Lisa, a graphic designer with a knack for creativity, lived much of her life online. She managed her banking, shopping, and social interactions through various apps and websites. One day, she noticed some strange withdrawals from her bank account — items she'd never bought from stores she'd never visited. Her social media accounts then began posting spam messages promoting odd products and services, and friends reported receiving unusual emails from her.

Panic set in as Lisa realized she had lost control over her digital identity. Her personal photos were leaked, and private conversations were exposed. Clients began to question her reliability, and her reputation took a hit. After consulting with cybersecurity experts, Lisa discovered that her passwords had been compromised. Cybercriminals had gained access to her most sensitive accounts, unraveling her digital world piece by piece. The question lingered: How did this happen?

### The Underhanded Tactics of Cybercriminals: Five Common Methods

Cyber threat actors employ a variety of techniques to harvest passwords. Here are five common ways they could obtain yours like they did Lisa's:

#### 1. Social Engineering Attacks

Social Engineering is where attackers masquerade as someone or something you know or trust, and they trick you into doing something you should not do. They send emails or messages that appear legitimate, often creating a strong sense of urgency, fear, or curiosity.

*How It Happened:* Lisa received an email that looked like it was from her bank, complete with official logos and branding. The email claimed there was suspicious activity on her account and urged her to click a link to verify her identity. The link led to a fake website that captured her login credentials when she entered them.

#### 2. Malware

Malware is malicious software designed to infect computers. Once infected, cyber criminals can do whatever they want. Keyloggers (sometimes called *information stealers*) are a type of malware that record every keystroke made on a device, including your login, passwords, and other sensitive data.

*How It Happened:* Lisa downloaded what she thought was a legitimate font package for her design work. Hidden within was a keylogger that installed itself on her computer. Over time, it recorded her login details for various accounts and sent them back to the attacker.

### 3. Brute Force Attacks

In brute force attacks, cybercriminals use automated tools to try numerous password combinations until they guess the correct one. Weak passwords are especially vulnerable to this method.

*How It Happened:* Lisa used simple passwords like "lisa2020" for many of her accounts. Attackers used software that systematically tried common passwords and easily cracked her accounts.

### 4. Data Breaches

When a website or service gets hacked, it can affect everyone's accounts that may be stored on the server. If someone uses the same password for multiple accounts, when that password is compromised for one account, then that password can be used to access the victim's other accounts as well.

*How It Happened:* A popular social media platform Lisa used experienced a data breach. Since she used the same password elsewhere, attackers accessed her other accounts using the leaked credentials.

### 5. Purchased Credentials

Cyber criminals can simply buy your passwords on the internet, often on the Dark Web. Certain cyber criminals specialize in stealing victims' passwords, using any of the methods we discussed so far. They then store and sell the stolen passwords to other cyber criminals.

*How It Happened:* A cybercriminal decided they wanted to make as much money as possible over the weekend, so they went to the Dark Web and purchased over 100,000 compromised accounts with their full passwords. One of Lisa's accounts was on that list.

## Three Key Steps You Can Take

Fortunately, by taking three simple steps, you can go a long way to protecting your accounts and online, digital life.

1. Use a long, unique password for each of your accounts. We recommend passphrases, which are long passwords made up of multiple words.
2. Use a password manager to securely store and manage all those passwords for you.
3. Enable Multi-Factor Authentication (MFA) whenever possible for your most important online accounts.

## NOTICIAS DIOCESANAS

### QUE BRILLE EL AMOR—DICIEMBRE 2024 | SU MISIÓN, SI DECIDE ACEPTARLA...

En las familias, los esposos se casan por amor, y luego ven cómo su amor se profundiza a través de los innumerables buenos momentos y desafíos de toda una vida de matrimonio. La misión de la familia no es para los débiles de corazón. Conlleva sacrificios y, a veces, angustias, pero todo ello está diseñado para que los cónyuges se unan más y avancen por el camino de la santidad. Si tienen la bendición de ser padres de familia, tienen la tarea de enseñar a sus hijos a ser humanos. ¡Qué concepto! Obtenga más información y comparta la Buena Nueva sobre el matrimonio y la vida familiar en: [www.radiatelove.info](http://www.radiatelove.info)

### RETIRO MINISTERIO DE RAQUEL

Hay afirmaciones que afirman que el aborto resolverá el problema. Sin embargo, estas afirmaciones no abordan la avalancha de problemas que crea: sentimientos de tristeza, culpa, pena, aislamiento y depresión. El Retiro del Ministerio de Raquel permite que comience el proceso de curación para quienes sufren los traumas del aborto, ofreciendo el perdón y el amor sanador de Jesús y la esperanza y promesa de la resurrección. El próximo año se ofrecerán dos retiros: 28 de febrero al 2 de marzo de 2025 (en español) 6 al 8 de junio de 2025 (en inglés) Si usted o alguien que conoce se beneficiaría del retiro de fin de semana para experimentar el amor, la misericordia y la compasión de Dios, llame al Proyecto Rachel al 916-733-0161 y comience el proceso de aceptar la amorosa misericordia de Dios. Hay más información disponible en el sitio web diocesano en [www.scd.org/postabortioncare](http://www.scd.org/postabortioncare).

### LLAMADO CATÓLICO ANUAL 2024 “INFORME DE GRATITUD”

Este Día de Acción de Gracias, al pausar en oración y gratitud por lo que hemos recibido a través del amor infinito de Dios, está invitado a visitar [scd.org](http://scd.org) para ver el “Informe de Gratitud” 2024 del Llamado Católico Anual. Vea cómo, unidos como católicos, los feligreses han hecho una diferencia verdadera para nuestros vecinos necesitados. Este año, más de 500,000 individuos y familias fueron ayudados por 18 organizaciones caritativas del norte de California que recibieron fondos del Llamado Católico Anual. El Llamado Católico Anual 2024 se acerca a los \$4.5 millones en compromisos hasta el momento. Nuestra parroquia recibe el 25% de cualquier obsequio hecho por los feligreses aquí. Si aún no ha participado, considere en oración una donación. Ninguna contribución o acto de caridad es demasiado pequeño o insignificante. Tenemos sobres disponibles aquí en la parroquia para sus donativos, o puede donar en línea en [scd.org](http://scd.org).

## CUARTO DOMINGO DE ADVIENTO | OH, PEQUEÑA CIUDAD DE BELÉN

Hay una canción de Navidad que dice de Belén: “Pero en tus calles oscuras brilla la luz eterna”. Aunque hoy tiene muchas casas y edificios modernos, todavía se puede ver que es “un pueblo de las montañas de Judea” (Lc 1:39). No está muy lejos de En Kerem, donde nació Juan el Bautista, y aparentemente donde toma lugar el Evangelio de hoy.

Vemos en la lectura del Evangelio de hoy cómo Isabel y su hijo no nacido se regocijaron ante la noticia del nacimiento de Jesús. La historia implica que María fue a ver a Isabel tan pronto como el ángel le habló de Jesús. Yo creo que hablar de ello hizo que este milagro fuera más real.

Jesús es la “Luz eterna” mencionada en la canción navideña. Esa luz brilla hoy, no solo en Belén, sino en todas partes donde sus seguidores la llevan. Cuando consolamos a alguien que está de luto, esa luz brilla. Cuando perdonamos a alguien que nos lastimó, la luz está encendida. Cuando enseñamos a un niño a rezar, brilla aún más.

Nuestras calles oscuras necesitan hoy la Luz eterna tanto como hace 2000 años. Hoy recordamos cómo María e Isabel compartieron su fe en Dios. Hicieron algo muy parecido a lo que hacemos nosotros hoy. Jesús, que hoy parece ser invisible, se ve en la fe compartida de quienes lo traen al mundo con sus palabras y acciones.
